

I strongly urge you to reject THE NATIONAL ASSOCIATION OF BROADCASTER'S PETITION 04-160. I'm a very happy subscriber to SM Satellite Radio. The united States Government has no right to legislate what I listen to as long as I pay for it. This petition is nothing more then legislated sensorship. Again, I strongly urge you to reject THE NATIONAL ASSOCIATION OF BROADCASTER'S PETITION 04-160  
. Thank you.
